## WE SALUTE YOU!

In 1974, a group of women led by Sylvia Henkin and Marlene Billion reflected on the contributions of women in the community. Their vision became the YWCA LeaderLuncheon and now known as Tribute to Women. On April 2, the YWCA celebrated 36 years of recognizing women's contributions to the civic, economic, educational and cultural life of our community. The special evening honored more than 40 nominees – and 10 winners. Please join us in congratulating the winners.

This event would not have been possible without the generous support from our sponsors and guidance of our volunteers.

Thank You!
